There are a number of fee payment frequencies offered by the College Council.

Note that the first instalment that occurs after the end of each term will include 'Other Fees and Sundry Charges'. Flexible payment options are available through Edstart to pay weekly, fortnightly or monthly over 12 months and/or spread payments over a longer period. To apply and for terms and conditions, visit www.edstart.com.au/scots. Full fee paying overseas families are ineligible to pay by instalments.

Full fee paying overseas students enrolled in Boarding are to remain in Boarding for the duration of their studies.

Glengarry Day Boys

Boarding fees for Day Boys at Glengarry in Year 9 are spread over four terms, regardless of intake or length of stay, which means the fees are not charged pro rata.

Glengarry charges do not apply to Year 9 Boarders.

No allowances or discounts apply to these fees. Any current bursaries or scholarships will not apply to Glengarry fees, with the exception of Boarding bursaries.

Adventure Academy

Adventure Academy fees will be charged in full in Term 3.

No allowances or discounts apply to these fees. In the case of Boarders attending Adventure Academy, Adventure Academy fees will apply for Term 3 instead of the term's regular Boarding fee. Any current bursaries or scholarships will not apply to Adventure Academy fees.

Payment Terms

Where fees are not paid by the due date or monthly direct debits dishonour three times, parents/carers must immediately make an appointment with the Finance Business Partner to make an arrangement for ongoing enrolment at the College.

When fees remain in arrears and there is no approved and documented alternative arrangement for payment, students may be refused entry and enrolment may be subsequently terminated.

* Use of credit cards for payments incurs a 1.0 percent surcharge.

A $25 charge (inc GST) will be made for any cheque or direct debit that is dishonoured.

An administration charge of $250 per month (inc GST) will be charged until such a time as the account is brought up-to-date or enrolment terminated due to non-payment of fees. Note that this fee still applies to families who have negotiated a payment plan with the College.

Fees not paid by the due date may be subject to external collection and/or legal proceeding and any costs incurred in this process will also be billed to families.

Other Fees and Sundry Charges

Fees do not include other fees and charges, itemised on statements rendered, such as:

- Year 9 Glengarry equipment.
- Year 9 Glengarry Parent Experience Weekend – $285 is payable in Term 2 by all Year 9 families, regardless of the intake period.
- Preparatory School students (Excl Brighton) – $90 for scope IT STEM sessions.
- Elective external tuition courses.
- Extracurricular activities – Music, Pipes and Drums, etc.
- Camps and tours.
- Student accident insurance, noting parents should always seek independent advice to ensure the cover is adequate for their needs.
- Early Learning Centre consumables and learning materials.
- The Old Boys' Union (OBU) – Year 12 OBU Life Membership is $595 and is billed with Term 2 fees.
- The Scots College Parents' Association – annual membership is $70 (plus GST) per family per year and is charged with Term 2 fees.

Students may not attend camps, tours or similar where fees are overdue.

Building Fund

Building programs of the College rely to a considerable extent on money raised through voluntary contributions to The Scots College Building Fund. An opportunity to make an income tax deductible donation is provided with each term's statement of account. A tax receipt summary will be sent at the end of the financial year.

Discounts

Sibling Discount
Where brothers attend the College at the same time, tuition and Boarding fees of the second brother will be reduced by five percent, by ten percent for the third brother and by 15 percent for a fourth and subsequent brothers.

In case one of the brothers has been awarded a scholarship, the sibling discount will remain applicable as per normal. However, if one of the brothers has been granted a bursary, the sibling discount will not be applicable to any of the brothers.

Scholarships and Bursaries

Tuition and Boarding fees may be remitted by award of either a bursary or scholarship for all or part of the applicable fees:

- Scholarships are awarded annually by competitive examination and interview and are subject to performance and other conditions.
- Bursaries are subject to means testing and interview.

For further details visit the College website www.scots.college/scholarships-bursaries or email fees@scots.college.

Note that all scholarship and bursary awards are for tuition and/or Boarding fees only; all other charges incurred are payable on the same basis as fees and no discounts are applicable, in the absence of written arrangements to the contrary. Continued availability of bursaries discounts and scholarships is subject to fee payments being made by the due date.

Note that the availability of scholarships and bursaries are capped based on allocated funding for the year.

Goods and Services Tax

Educational expenses including tuition are generally exempt from Goods and Services Tax (GST). The College reserves the right to charge GST for goods and services provided where exemptions do not apply.

Leave of Absence

Leave of Absence refers to an approved period during which a student does not attend the College but retains their place, provided that full tuition fees (and Boarding fees, if applicable) are paid for the duration of the leave, unless otherwise authorised in writing by the Principal. Leave of Absence may be granted for a maximum of one year.

Withdrawal

Where a family withdraws (i.e. departs) from the College and may look to enrol their son at a future time, a new enrolment application will need to be submitted and the non-refundable Registration Fee applicable at that time will be payable. Further, following the completion of the enrolment process in its entirety and an offer of confirmed place has been made and accepted, the non-refundable Entrance Fee in effect at the time will also be payable.

Once a student is in attendance at the College, at least one term's notice in writing must be given to the Principal or Director of Admissions before voluntary removal of a student or request to change from Boarder to Day Boy. If this notice is not given, one term's fees (plus GST) will be charged in lieu of notice.

One term's notice is defined as the last day of classes of the prior period. For example, for a student with intended withdrawal in Term 2 (to finish Term 2 and leave), a written notice must be given on or before Wednesday 1 April 2026 (Term 1 last day of classes). If the notice is provided after this date, fees in lieu of one term will be applicable.

Intended Term of Withdrawal	Last Date of Withdrawal Notice
Finishing after Term 2	Wednesday 1 April 2026
Finishing after Term 3	Thursday 25 June 2026
Finishing after Term 4	Friday 25 September 2026
Finishing after Term 1 2027	Monday 7 December 2026

Where a student does not commence/proceed with an accepted confirmed offer of place, and the family may wish to enrol their son at a future time, a new enrolment application will need to be submitted and the non-refundable Registration Fee applicable at that time will be payable. The place cannot be deferred. Further, following the completion of the enrolment process in its entirety and an offer of confirmed place has been made and accepted, the non-refundable Entrance Fee in effect at the time will also be payable. The College may consider holding a place for a maximum period of one year only where full tuition (and Boarding fees where applicable) are paid during this time.

Once students have gained entry to the College (and long-term enrolments at the Rose Bay Early Years Centre), it is expected they will complete their schooling with The Scots College and their enrolment is automatically continued.

For example, a student enrolled in Year 6 is assumed to continue in Year 7 and as such the vacancy is granted automatically. If the parents decide that the Year 6 boy will not continue his schooling with The Scots College one term's written notice must be given on or before Friday 25 September 2026. If the notice is provided after this date, fees in lieu of one term will be applicable.

All remission of fees and fee policies are subject to continuing College Council approval and review.

Enquiries regarding fees or accounts should be directed to the Business Office (fees@scots.college).
